## 序言 Preface

2020年，全世界受到新冠肺炎的疫情衝擊，在這一年裏，我們每一個人戴起了口罩、拉開了社交距離、開啟了遠距的交流、限制了群聚的活動，而一年一度美國最大的華人選美活動也因此暫停了，二年過去，雖然疫情依然還沒離去，但我們打造了新的「平常」生活，美國華裔小姐選美會以新的「平常」生活從新回到大家的視野裏。

因新冠病毒，美國亞裔遭遇疫情歧視，針對以及偏見，因此美國華裔選美會與康州金神大賭場及所有支持選美會的贊助商們與好友們都有共同的理念，希望以全美最大的華人選美大賽的平臺讓更多的亞裔朋友團結起來，用我們的聲音，站出來為彼此說話，展現亞裔在美國社會的重要地位。

In 2020, the world underwent severe impact and changes due to the ongoing Covid-19 Pandemic. We all wore masks, social distanced, limited gatherings, and the largest Chinese American Beauty Pageant platform was also halted. Miss Chinese Beauty Pageant knows it takes time to get back to “normal”, but we would like to use this new “normalcy” to present the 2022 Miss Chinese Beauty Pageant to you.

Due to the Covid-19 Pandemic, Asian Americans became continuous targets for blame and discrimination. Miss Chinese Beauty Pageant, Mohegan Sun, and all of its sponsors and supporters have the same vision - to leverage the largest Chinese American Beauty Pageant platform to unite all Asians, to voice out for each other, and to demonstrate the social position of Asians in America.

成為一名對社會有正面影響力和貢獻的獨當一面女性

Hi everyone! My name is Debbie Leung. I am 23 years old, born and raised in Hong Kong but moved to the United States for college when I was 18. I recently graduated Magna Cum Laude from Columbia University, with a Bachelor of Arts in Computer Science and Environmental Biology. Having built my own portfolio website, I am currently working as a software engineer in Manhattan. During college, I volunteered in Ghana and Panama with international NGOs to construct boreholes and provide medical supplies for the local communities. Apart from being enthusiastic about community service, my passion for marine biology has motivated me to pursue my first PADI dive certification at the age of 17, subsequently conducting marine conservation research in Belize and Jordan. As a woman in STEM, I hope to challenge myself throughout this pageant experience and break out of the nerdy stereotype of Chinese American female engineers. Ultimately, I aspire to become Miss Chinese American with both beauty and wisdom, instilling the spirit of truth, kindness and beauty of our Chinese American women.

Courtney started her career in Los Angeles as a Venture Capital analyst and is now breaking the mold to pursue Entrepreneurship in New York City. In her spare time, she enjoys tennis, cooking, and studying topics around health, wealth, and happiness. She has been to over 25 countries and travels as a way to build human connection through culture and art. The three most important values to Courtney are loyalty to family, commitment to lifelong self-growth, and serving others. Courtney is competing in this year's pageant alongside her younger sister, Taylor Zeng (contestant 12) as the first ever sister-pair. Courtney takes pride in her Chinese heritage as she was the first person in her family to be born in the

US. Competing in this pageant is a way to honor her ancestor's legacy and showcase what it means to be a strong and beautiful Chinese-American woman.

職業: Private Equity Analyst

學歷: Columbia University, School of Engineering and Applied Science, Bachelor of Science in Financial Engineering and minor in Economics.

志向: To live life to the fullest and with a purpose. I aspire to build a business in an industry that I am passionate about that will contribute to making the world a better place.

Dream, believe, and achieve! I am contestant #10, Nikita Tang, 22 years old, born in Georgia and grew up in New Jersey. There are various parts of my identity that I am proud of: I am the "big sister" and role model of four younger siblings; I am a recent graduate of Columbia University and an incoming analyst at a private equity firm in New York City; I am a national and international champion for dance and a U.S. National Elite Team Member for rhythmic gymnastics with a 10+ year competitive history in both activities. Growing up, I've learned to fight for what I love and to continuously seek opportunities for self-improvement. This pageant is a new challenge for me in which I hope to further develop myself and expand my horizons. Through this platform, I also seek to spread positive energy to inspire other Chinese women to fearlessly pursue their dreams and find beauty and confidence in themselves. I look forward to representing what I believe to be the beauty of Chinese women; one composed of not only physical appearance but also values, intelligence, ambition, compassion, and much more.

志向: People say the hardest substance on earth is diamond,  
and I want to be like a diamond: pure, clear, and unbreakable.

我想成為像鑽石一樣的人: 簡單・純淨・但是無堅不摧

Having lived and studied in 4 countries, speaking 3 languages fluently, I'm currently working as a financial engineer at the largest investment bank on Wall Street and never stop searching for new challenges. No matter what I do, I always put 120% effort into it. People aren't born with perfectness, just like diamonds - they look like stones before getting cuts. I have been using my relentless hard work and undefeatable courage to get myself polished so that one day I will shine like a diamond.

我是一個會說中英法三國語言的北京姑娘，在四個不同的國家學習生活過，現在在華爾街最大的投行做量化分析。我愛好興趣很多，並且喜歡挑戰自我，無論做什麼事我都會做到盡善盡美。沒有人生來完美，就像未經雕琢的鑽石一樣。我想，我的努力和不斷挑戰自我的勇氣就是打磨提升自己最好的工具。因為，我希望未來的自己，也可以像鑽石一樣璀璨閃耀。

來自: New York

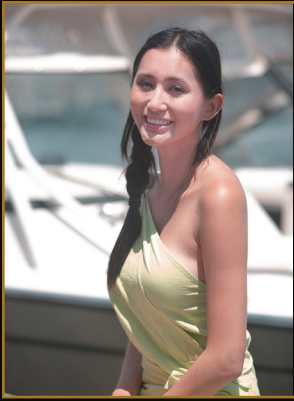

年齡: 19

職業: Student

學歷: Incoming sophomore at Columbia University,  
on track to study Philosophy and Art History

志向: To work as an art curator for a major company like  
Sothebys as well as continue to pursue a career  
in the fashion industry as a model.

Taylor (contestant 12) is the third of four sisters, all alike, yet drastically different. Born just 7 years apart, all share their love of beauty and what it means to be a Chinese American woman. Her Chinese name is 曾宇茜. She just recently finished her freshman year at Columbia University in the City of New York on track to study Philosophy and Art History. It has always been a passion of hers to learn about history and knowledge. Being able to combine that with an artistic approach is her ideal concentration. She is lively and sensible, attune to her surroundings and making the most of every moment of youth. She is also a member of the Varsity Women's Golf Team, earning the title of First Team All Ivy finishing top 3 at the Ivy Championships, and had the lowest scoring average on her team as a freshman. Apart from her academic and athletic endeavors, she is a model for Verge Models (based in Los Angeles) and KLA Management. Using her prior experience in the fashion industry,

she is ecstatic to compete outside of her comfort zone in the 2022 Miss Chinese Beauty Pageant!
